

Oskar Schindler Plaza Status Report

(aka.....What's happening with this project).

Dear OSP supporters,

We are actively working with the South Robertson Neighborhood Council (SORO NC). We require from them a Community Impact Statement (CIP).

Once received, the CIP is forwarded to
LA Council Woman Katy Yaroslavsky
(Council District 5).

Upon her review, we ask that Councilmember Yaroslavsky bring forth a Motion to the full Council to support the Oskar Schindler commemorative street sign on the corner of Pico B. and Beverly Drive in west LA.

(I suspect the Council votes in favor will be unanimous).

Thereafter, we all go to Factors Famous Deli to celebrate. Drinks are on me.

Sincerely,
Zachary Lawrence JD
